

OCEAN REPORT CARD

DOLPHIN

SUBJECT	GRADE	COMMENTS
Physical Education	A	Especially gifted swimmer, reaching speeds over 18 miles per hour. Very acrobatic in the water!
Critical Thinking	A+	Extremely intelligent. Able to solve problems, use tools, and even teach concepts to younger dolphins.
Music	A	A beautiful voice, with a wide vocal repertoire including clicks, whistles, and signature calls used for communication and echolocation.
Drama	A-	Not the most colorful, but great at channeling their energy into a variety of performances, including dramatic breaches and tail slaps.

TEACHER COMMENTS:

So smart! Picks up new skills and concepts very quickly.

While they are very social and love hanging out with their pod, I've also noticed they can be a bit of a bully - biting or ramming others to try and prove their dominance.

All animals adapt to their environment in different ways and get A's across the board for surviving in our oceans!
