HARBOR SEAL

SUBJECT	GRADE	COMMENTS
Physical Education	A-	A natural born swimmer – literally. Very agile in the water but awkward on land and prone to long naps in the sun.
Critical Thinking	B	Clever and curious. Approaches problems with a flexibility that helps in a changing environment.
Music	C+	Can’t pull off a complex song, but some might find their grunting, yelling, and flipper slapping melodic.
Drama	B+	Loves to play, splash, and sometimes stir up a scene in the colony.

TEACHER COMMENTS:

Playful and curious—always getting into something!

A quick learner and shows promise in group settings. Especially excels at chasing down fish at snack time.
