

OCEAN REPORT CARD

EMPEROR PENGUIN

SUBJECT	GRADE	COMMENTS
Physical Education	B+	Lacks flight skills but makes up for that with expertise in swimming and diving! Waddling may not look the most graceful, but it actually conserves energy compared to walking.
Critical Thinking	B	Doesn't shy away from hard work when things get tough during cold Antarctic winters. Excellent at working as a group to get through challenges.
Music	B	Not the most melodic, but has a wide vocal repertoire, including using a special two-toned call to find its mate and chick in a noisy crowd.
Drama	A-	Always dresses to impress. Puts on a remarkable performance enduring brutal winters and performing highly coordinated parenting roles.

TEACHER COMMENTS:

Resilient, determined, and loyal. Always shows up prepared for group work and tough environments. Would probably win “Best Dressed” in the yearbook.
