

OCEAN REPORT CARD

WHITE SHARK

SUBJECT	GRADE	COMMENTS
Physical Education	A	Powerful swimmer well-equipped for quick, short bursts of speed. Built for strength, stamina, and stealth. Can leap out of the water in dramatic ambushes.
Critical Thinking	B+	Often underestimated, but very intelligent. Shows strategic hunting behavior, adapting approach for the type and size of prey.
Music	D	Not much for making noise. May sometimes use tail-slapping to communicate with others, but hasn't mastered the art of rhythm yet.
Drama	A	Iconic and intimidating. Breaches, sudden strikes, and silent cruising make them a natural showstopper.

TEACHER COMMENTS:

Doesn't say much, but commands attention.

Definitely a leader, as an apex predator, though may intimidate classmates smaller than themselves.

All animals adapt to their environment in different ways and get A's across the board for surviving in our oceans!
